- Hotel/Motel
- Military
- Correctional

DESCENT™ ODOR ELIMINATOR is a commercial strength odor elimination agent. DESCENT™ is **NOT A MASKING AGENT**.

DESCENT™ catalytically destroys odors associated with urine, feces, emesis, decomposition, skunk odor, smoke due to fire damage, tobacco smoke, mold, mildew, decomposed food (meat, poultry, fish), fuel oils, inks and solvents.

DESCENT™ contains a patented catalyst that destroys odors within minutes - even seconds - of contact. DESCENT™

is biodegradable and contains no CFC's, formaldehyde, or other hazardous ingredients. DESCENT™ is water-soluble, non-flammable, non-corrosive and generates no toxic fumes.

Excellent treatment for removing odors originating from; chemicals, petroleum, agriculture, food preparation, body odors, molds, food decay, smoke and kitchen soil. Eliminates odors in uniforms, pads, gloves, shoes, bags, lockers and carpet. Effective on bed linens, personal items and carpet to remove odors from feces, urine and body odors. Great for SMOKE removal!

Use DESCENT™ to deodorize washable items such as; clothing, uniforms, towels, bed linens, draperies, rugs, etc.... Add **4 ozs of DESCENT™** to **each 10 gallons of water** in the final rinse cycle. Do not introduce any other chemicals into this rinse. Run for normal rinse cycle and extract.

DESCENT™ may be spray applied to porous and non-porous surfaces for odor control. (such as garbage cans, kennels, janitorial, fire reclamation, ...)

Washable items	4 ozs per 10 gal of rinse water
Carpets	4 ozs per 1 gal of water in tank
Portable toilets, boat bilges, ...	4 – 6 ozs per 1 gal of water
Ready-to-use spray (light soil/precleaned)	2 ozs per 1 quart of water
Ready-to-use spray (heavy soil)	4 ozs per 1 quart of water
