

DeSCENT™

Odor neutralizer
Fragrance-free

DeScent™ is a fast-acting, fragrance-free odor eliminator that neutralizes odors at their source.

Powered by a **patented oxygen catalyst**, it quickly destroys odors caused by smoke, urine, feces, body odors, mold, mildew, food waste, skunk odor, petroleum products, and other organic contaminants. DeScent™ is **biodegradable and contains no CFC's, formaldehyde, or other hazardous ingredients**. DeScent™ odor neutralizer is **water-soluble, non-flammable, non-corrosive and generates no toxic fumes**.

Safe for use on textiles, carpets, equipment, and hard surfaces, and ideal for athletics, healthcare, commercial, and institutional environments.

PRODUCT BENEFITS

- Non-flammable and non-corrosive
- No CFC's, formaldehyde or other hazardous materials
- Biodegradable
- Fragrance-free, not a masking agent

USE ON

- Athletic uniforms, shoes, cleats, and apparel
- Carpets, rugs, and upholstery
- Laundry, mattresses, and bed linens
- Horse blankets, stable gear, and pet bedding
- Waste containers

APPLICATIONS

- Healthcare facilities
- Senior living and nursing care
- Fire and smoke restoration
- Athletic uniforms and facilities
- Educational and childcare
- Marine and outdoor use
- Equine and agricultural
- Correctional facilities
- Public safety agencies
- Waste and environmental services

APPLICATION INSTRUCTIONS

*Please see label for complete instructions. For best results, test on a small sample area for colorfastness before full application.

For washable items, add 4 oz of DESCENT™ per 10 gallons of water in the final rinse cycle. Do not mix with other chemicals and run a normal rinse and extract.

For surface application, dilute according to the table below and spray DESCENT™ directly onto porous or non-porous surfaces such as garbage cans, kennels, janitorial areas, and fire restoration areas, for odor control.

USE	DILUTION	USE	DILUTION
Washable items	4 ozs. per 10 gal. of rinse water	Ready-to-use spray (light soil/precleaned)	2 ozs. per 1 quart of water
Carpets	4 ozs. per 1 gal. of tank water	Ready-to-use spray (heavy soil)	4 ozs. Per 1 quart of water
Portable toilets, boat bilges,...	4-6 ozs. per 1 gal. of water
